

The Cerridwen Press Spring Contest

READERS! Here's the information you've been looking for!

Here are the rules for the First Annual Cerridwen Spring Giveaway:

- The Grand Prize winner must be a United States resident (due to mailing and custom costs, we cannot ship the grand prize out of the country).
- You must be a member of the Cerridwen Chat Yahoo group to participate in this contest. All clues and contest information will be posted on that loop. To subscribe, send a blank email to: cerridwenchat-subscribe@yahoo.com
- You cannot share information about the contest with other readers. All participants should act independently.
- Every day, starting on March 1 and ending on March 15, a clue will be posted on the Cerridwen Chat loop. This clue will lead you to a specific web site or blog location. You must find the hidden/special word on that web site or blog. There will be fifteen words to find, one for each day of the contest. The word will be in a special font, something like **this** so it will stand out and you should be able to see it easily. If you want to be eligible for the grand prize, you have to find these words. Note the word and the location where you found it.
- You also need to find a tree icon and note that location. Beginning on March 1, look for the tree icon on the web site or blog of the participating authors (see the author list at the end of this page). Make a note of the location of the tree icon or blog.
- The contest ends on March 15 at 5 PM. The tree icons and the 'secret words' will be removed from the author locations at that time.
- Assemble the words you've found into a sentence. Send the sentence and the location of the tree icons you found in the *following format* in the body of an email to GreenBookFriend@yahoo.com.

Sentence: *write your sentence here*

Location of Secret words:

1st word: <http://www.websitename.com/website page.htm>

2nd word: <http://www.blogorwebname.com/date> (if blog)

3rd word:

4th word: *and so on*

Tree Location 1: <http://www.websitename.com/websitepage.htm>

Tree Location 2: <http://www.blogspotname.com>

Tree Location 3:

and so on

- You will need to find 15 words and 13 trees for a total of 28 entries. Sound like a lot? It is, but the prize is pretty big, too!
- E-mail your response by 5 PM (central standard time) on March 16. No entries will be accepted after that time.
- The grand prize winner will be chosen from those who submit correct responses.
- Winners will be announced on the Cerridwen Chat loop on March 20, the first day of spring, at 5 PM (central time). Winners will also be notified by email.

This is a used device. The cover is slightly scratched but the reading screen is clear and unmarred. The device is in good working order. It will be shipped to you with the winning books already loaded and will include instructions for adding new content, a spare rechargeable battery, and a power adapter (to recharge the unit).
